

Dear Customers & Suppliers

The Antelco Group are delighted to announce the successful acquisition of Dawn Industries, made effective on Friday 4th March 2022.

Dawn Industries are world leaders in the design, manufacture and distribution of high performance water system components and replacement products for water system professionals.

Dawn's philosophy to provide the consumer with high quality products, focusing on the design and manufacturing processes to ensure repeatable performance is identical to Antelco beliefs making this acquisition seamless.

Additionally, we would like to reinforce the Management Team responsible for the exceptional quality and service you have become accustomed to will continue directed by Rodney May, Dawns' General Manager of 28 years. The contacts you currently deal with for all facets of the business will remain the same, along with the Company Name and details.

Together we look forward to strengthening our range of quality products and services listening to our customers' needs and developing high performance solutions for the future. We thank you for your business over the past years and look forward to continuing to work together successfully well into the future.

Yours faithfully
Antelco Pty Ltd
