## Freight Policy

---

Prices are F.O.B. Arvada, Colorado, freight prepaid to destination specified in the order. Dawn Industries charges a shipping and handling fee on each order, which is applied at time of order and reflected on customer's invoice.

Dawn Industries covers shipping and handling for standard ground delivery within the Continental United States and Canada on orders over \$1,500 before tax (including any backorders). Dawn Industries does not cover shipping and handling for orders shipping outside of the U.S. or Canada.

## Minimum Order Policy

---

In an effort to consolidate processing costs and increase order efficiency, Dawn strongly encourages replacing frequent small orders with larger planned purchases.

- Minimum order - \$200
- International minimum order - \$500 USD
- Order in box/bag quantities to avoid broken box/bag charges

We understand that our customers may occasionally wish to place smaller orders, in such cases, a minimum \$10 special handling fee will be added. Broken box/bag orders will be charged a \$10 fee. We encourage you to support our policies so that we may continue to offer superior customer service at great prices.

## Terms

---

Net 30 days from ship date. Prices subject to change without notice.

## Product Returns

---

Dawn Industries has a no hassle guarantee, subject to the following:

The purpose of the no hassle guarantee is to ensure our distributors and dealers stock the product that suits their market and clientele.

- Return requests must be submitted to Dawn Industries within 1 year of the date of the original invoice.
- Returns after 1 year incur a 25% restocking charge and are subject to approval.
- Products may only be returned once the customer receives written authorization from Dawn Industries. If the return is authorized by Dawn Industries a Return Merchandise Authorization (RMA) number will be issued to the customer.
- Products returned must have the RMA number clearly marked on the outside of the box and reach Dawn Industries within 45 days from the date RMA is issued. All documentation and RMA number must accompany the return along with the original invoice number and an explanation why the product is being returned so that Dawn Industries may inspect the product accordingly.
- Only product that is current, non-obsolete, not specially manufactured, unused and in their original condition and original packaging will be considered for return. No returns are allowed on product with a ship date of older than 12 months.
- Refused shipments sent back to Dawn Industries without an RMA incur a 25% restocking charge.

- Upon receipt and inspection of the product, if the product is accepted for a return, a credit will be issued for the value on the original invoice, less freight, and cash discounts. At the option of Dawn Industries, full credit against future purchases or replacements will be made.
- Care must be taken to package all returns to ensure that they are not damaged in shipment. Dawn Industries will not credit items returned that have not been properly packed and as a result have sustained damage in shipment back to our facility.

### **\*Dawn Industries Limited Warranty**

---

Subject to the exclusions and limitations detailed below, Dawn Industries warrants to the original consumer that products of its manufacture will be free from defects in materials and workmanship under normal use and service for one year from the original consumer's date of purchase.

#### **Limited**

Limited means that Dawn Industries warrants to the original purchasers of products from Dawn Industries authorized distributors at the time of shipment such products shall be free of defects in material and workmanship while the tool or fitting is used under normal working conditions. Standard wear and tear, dulling over time, overloading, misuse, defacing the product, and acts of God are not covered under warranty.

When a warranty claim arises, the purchaser must contact Dawn Industries. If the defect comes under the terms of this limited warranty, Dawn Industries will arrange, at its sole discretion, one of the following options:

- The product will be repaired at Dawn Industries factory.
- Product will be replaced

The purchaser is solely responsible for determining the suitability of Dawn Industries for the purchaser's use or resale, or for incorporating them into articles or using them in the purchaser's applications. The distributor is authorized to extend the foregoing limited warranty to its original purchasers in connection with the sales of Dawn Industries products, provided that such products shall not have been altered by the distributor. The distributor shall be fully responsible for any warranties the distributor makes to its purchasers which are broader or more extensive than Dawn Industries limited warranty.
