## About Dawn Industries

Saving water system professionals time and money is our mission. Over the past 30 years, Dawn Industries, Inc. has introduced some of the most innovative and successful water system and replacement products on the market. The Company's team of seasoned engineers, sales and office staff continue to work closely with professionals from multiple industries in developing new and innovative products.

What separates Dawn Industries is our commitment to pleasing our customer base. We're a business that treats our customers like family, with respect, courtesy, and warmth. We recognize that you are our lifeblood, everything we do is focused on your satisfaction.

We appreciate your business and look forward to serving you for many years to come.

Dear Customers & Suppliers

The Antelco Group are delighted to announce the successful acquisition of Dawn Industries, made effective on Friday 4th March 2022.

Dawn Industries are world leaders in the design, manufacture and distribution of high performance water system components and replacement products for water system professionals.

Dawn's philosophy to provide the consumer with high quality products, focusing on the design and manufacturing processes to ensure repeatable performance is identical to Antelco beliefs making this acquisition seamless.

Additionally, we would like to reinforce the Management Team responsible for the exceptional quality and service you have become accustomed to will continue directed by Rodney May, Dawns' General Manager of 28 years. The contacts you currently deal with for all facets of the business will remain the same, along with the Company Name and details.

Together we look forward to strengthening our range of quality products and services listening to our customers' needs and developing high performance solutions for the future. We thank you for your business over the past years and look forward to continuing to work together successfully well into the future.

Yours faithfully

Group General Manager

## Spring Action and Original KwikCut™

These multi-purpose cutters are designed to make quick work of Polyethylene pipe, thin wall PVC, hose, tubing and most other non-metal items. Our blades are manufactured in our Colorado facility using a proprietary blade making system from the longest lasting, highest quality metal. This ensures exceptional quality control throughout the production process and creates a blade that is sharper and holds its edge longer for more clean, precise cuts. Together with the tough fiberglass reinforced nylon handles KwikCut is the highest quality cutter on the market at any price.

100 and 135 series models are available with orange or black handles as well as stainless steel or PTFE coated blades. SS200 and SL200 are only available with black handles and stainless blades.

**T Series**

Patent #4336652

**SL Series**

Patent #6370780

Patent # 7150289

A Superior Tool-Less Saddle Tee for Polyethylene Pipe. The Most Secure Fittings on the Market.

### Pre-Installed Swing/Drip Connections

- No tools, snaps or straps required
- Significantly less flow restriction than inserts
- Installs 6 x faster than inserts with worm screw clamps
- Superior versatility (remove, move, replace)

### Independent Lab Test Results

| Flow Rate        | Flow Restriction                  | Quick Burst Test  |
|------------------|-----------------------------------|---|
| 13.6 gpm @ 40psi | 41% less than standard insert tee | 392 psi @ 62 seconds – The KwikTap fitting did not fail |

| Part Number <b>KTXXXXXXX</b> |              | Made in USA                  |

Example: KT015D (1 1/2" KwikTap with 3/4" FPT)

**Sold in Quantities:** 10 Per Bag – 200 Units Per Box

**KT015SW-E & KT015SW-S Sold in Quantities:** 10 Per Bag – 100 Units Per Box

### KwikSeal Saddles

A superior saddle tee for Polyethylene that eliminates the hassles and problems associated with insert fittings.

- No rubber gaskets
- Lower profile saddle tee
- T-Bolt and Nut made of fiberglass reinforced nylon
- No clamps to rust or corrode
- Molded barb seal

### Zero Flow Restriction

Withstands Over 400 PSI Without Leaking  
2 1/2" length protects seal area if pipe is kinked or damaged near saddle tee.

| Part Number <b>XXXX</b>  |              | Made in USA |
|--------------------------|--------------|-------------|
| KwikSeal Model/Size      | Outlet       |             |

| 125   1 1/4" Poly Saddle |              |             |

Example: 100C (1" KwikSeal with a 1/2" Outlet)

**Sold in Quantities:** 10 Per Bag – 250 Units Per Box

### Coring Tool

Part Number: **HCT-COMBO** Made in USA

Patent # 478189

### Nut Driver

Part Number: **ND375** Made in USA

## No Clamps, No Tools, No Hassles

In repeated high pressure testing (up to 400 psi) the KwikConnect never leaked or failed. In every test, the pipe burst without one KwikConnect failure. KwikConnects are designed for use wherever standard, ASTM D 2609, insert fittings are used.\*

\* Designed for use on 80, 100 and 160 psi pipe which meets ASTM D 2239 pressure rated polyethylene pipe standard as well as Ag drip pipe.

KwikConnect Features Include:

- Installs in seconds
- No clamps needed
- Fast, easy and secure
- Reduces labor
- Saves dollars
- Dependable and reliable

KwikConnect is made from the finest engineered resins available on the market today.

Patent #8328241

PTFE coated Buna O-rings for ease of installation and long sealing life.

Expanding lock ring provides superior holding power by biting into the pipe and expanding to grip securely in high pressure or hammer situations.

### KwikConnect™ Coupler 1"

Part Number: **KCC1429-010** **Made in USA**

Sold in Quantities: 10 Per Bag - 200 Units Per Box

### KwikConnect™ Reducing Tee

Part Number:

**Made in USA**

**KCRT1402-130** 1/2" FPT

**KCRT1402-131** 3/4" FPT

Sold in Quantities: 10 Per Bag - 200 Units Per Box

### KwikConnect™ Tee 1"

Part Number: **KCT1401-010**

**Made in USA**

Sold in Quantities: 10 Per Bag - 200 Units Per Box

### KwikConnect™ Male Adapter 1" x 1" MPT

Part Number: **KCMA1436-010**

**Made in USA**

Sold in Quantities: 10 Per Bag - 250 Units Per Box

### KwikConnect™ Reducing Elbow

Part Number:

**Made in USA**

**KCRE1407-130** 1/2" FPT

**KCRE1407-131** 3/4" FPT

Sold in Quantities: 10 Per Bag - 250 Units Per Box

### KwikConnect™ Elbow 1"

Part Number: **KCE1406-010**

**Made in USA**

Sold in Quantities: 10 Per Bag - 250 Units Per Box

### KwikConnect™ End of Line 1" x Swing

Part Number: **KCEL1429-129**

**Made in USA**

Sold in Quantities: 10 Per Bag - 250 Units Per Box

The **KwikAdapt** line of products offers fast, secure connections to Swing pipe. The barb and spike combination keeps the Swing pipe in place even under pressure surges.

- Faster to install
- Save on labor cost
- Strong and convenient
- Barb and Spike design

### Swing/Drip Coupling

Part Number: **Made in USA**  
**SW1429-003**  
**DC1429-017**  
 Sold in Quantities: 50 Per Bag - 1,000 Units Per Box

### Swing/Drip Tee

Part Number: **Made in USA**  
**SW1401-003**  
**DT1401-017**  
 Sold in Quantities: 50 Per Bag - 1,000 Units Per Box

### Swing Adapter

Part Number: **Made in USA**  
**SW1436-073** (1/2")  
**SW1436-099** (3/4")  
 Sold in Quantities: 50 Per Bag - 1,000 Units Per Box

### Swing Elbow

Part Number: **Made in USA**  
**SW1413-073** (1/2")  
**SW1413-099** (3/4")  
 Sold in Quantities: 50 Per Bag - 1,000 Units Per Box  
 Sold in Quantities: 50 Per Bag - 1,500 Units Per Box

### Swing Tee x 1/2" MPT

Part Number: **Made in USA**  
**SW1403-003**  
**DT1403-017**  
 Sold in Quantities: 50 Per Bag - 1,000 Units Per Box

### Drip Adapter

Part Number: **Made in USA**  
**DMA17-050** (1/2" MPT x 17 mm)  
 Sold in Quantities: 50 per Bag - 1,000 Units per Box

### End of Line

Part Number: **Made in USA**  
**SW1429-099** (3/4")  
**SW1429-129** (1")  
 Sold in Quantities: 50 Per Bag - 1,500 Units Per Box  
 Sold in Quantities: 25 per Bag - 1,000 Units per Box

### Swing/Drip Insert Tee

Part Number: **Made in USA**  
**SW1401-099** (3/4")  
**SW1401-129** (1")  
**DT1401-099-017** (3/4")  
**DT1401-129-017** (1")  
 Sold in Quantities: 10 per Bag - 250 Units per Box

### 17mm Coupler to Swing

Part Number: **Made in USA**  
**DC1429-017-003**  
 Sold in Quantities: 50 per Bag - 1,000 Units per Box

**KwikRepair™** makes in-line installation or repair of PVC lines faster, easier, stronger and more cost efficient with just 1 fitting. The KwikRepair sleeves slide onto the pipe, once primer and solvent is applied to the end of the fitting and end of the pipe being repaired, eliminating bending or flexing of the pipe.

- Do the job with just one fitting
- Permanent solvent weld seal
- Effective for limited space applications
- No Thrust Blocking or Staking needed

**Made in USA**

**Sold in Quantities:** 10 per Bag - 250 Units per Box

**ST005 Sold in Quantities:** 25 per Bag - 250 Units per Box

## KwikSlip PVC Manifold Cross - Standard 1" Male Pipe Thread

- Made of virgin PVC compounds to schedule 40 strength
- Reduces the number of labor consuming manifold assemblies per job.

Part Number: **D421** | Box of 50

## KwikSlip PVC Manifold Tee - Standard 1" Socket for Solvent Weld

- Made of virgin PVC compounds to schedule 40 strength
- Reduces the number of labor consuming manifold assemblies per job.

Part Number: **D402** | Box of 50

## KwikSnap PVC Glue Saddles

**KwikSnap™** is a glue-on PVC "Y" Saddle for use with 3/4" and 1" PVC to Swing.

- Do the job with just one fitting
- Fitting outlet molded at 30° angle to prevent kinking of the Swing pipe

Part Number: **KSYXXX**

Made in USA

Example: KSY007 (3/4" KwikSnap saddle)

**Sold in Quantities:** 25 per Bag - 250 Units per Box

## Hand Saw

For cutting large PVC or ABS pipe, with optimum tooth design. No other saw cuts faster or straighter than KwikCut PVC Saw. Available in 9", 13" and 18" lengths.

Part Number: **GS09F, GS13F, GS18F**

Made in USA

## Rope Saw

- Cuts plastic, wood, rubber and more
- Cuts in places you can't get to with a larger saw and cuts in any direction
- Ergonomic grips allow you to use your hands instead of just your fingers

Part Number: **RS32**

Made in USA

## Hack Saw

Dawn brings you the finest high performance hack saw you can find. High tension design helps blades last longer and is more comfortable to use than other frames. It also offers versatile blade positions and can make either standard or flush cuts. Convenient blade storage in top Frame bar.

Part Number: **HS12**

Made in USA

## Mini Hack Saw

- Ergonomic handle made with tough resin
- Quick change blade
- Uses standard hack saw blades

Part Number: **MH004**

Blade made in USA

## Self Adjusting Wire Stripper and Crimper

- Innovative Self Adjusting Mechanism is Ideal for stripping wires from 10-24 AWG
- Self Adjusts to size and removes outer jacket
- Crimps 10-22 AWG Insulated
- Crimps 4-22 AWG non-Insulated

Part Number: **WS1024SA**

## Ergonomic Wire Stripper/Cutter

Same features as WS1022 plus:

- Double dipped handles with air cushion pockets
- Strips 10-20 gauge wire
- Built-in bolt cutters cleanly cut 6-32 and 8-32 bolts
- Electrician grade

Part Number: **WS1022-ERGO**

## Wire Stripper/Cutter

- Narrow nose fits into tight places
- Spring-loaded action for self-opening
- Shear-type cutting blades for square, clean cuts
- Hardened steel with precision ground paired stripping holes for 10 to 22 gauge wire
- Wire looping and bending holes

Part Number: **WS1022**

## Crimpers

- Forged from high quality tool steel for heavy usage
- Perfect for installing or removing pinch clamps
- Handy for cutting wire strapping and pulling nails
- Lengths 8", 12"

Part Number: **CT108, CT112**

## Groove Joint Pliers

- Jaws have zinc phosphate finish for rust protection
- Lengths 10", 12", 16"
- Parallel jaws grip in all positions

Part Number: **GJP100, GJP120, GJP160**

## Dead Blow Hammer

- Tough, non-marring striking face
- Weighs 1.5 pounds,
- No bounce

Part Number: **DBH15**

## Nipple Extractor

- Quickly removes both 3/4" and 1/2" PVC or Polyethylene risers and nipples
- Extra sharp, long lasting gripping blades

Part Number: **NE005**

## Four Way Key

- Fits stopcocks, sillcocks and valves
- Heat-treated steel

Sizes: 1/4", 9/32", 5/16", 11/32" internal square

Part Number: **KEY04**

## KwikPull Simple innovation

---

Our Pipe Pullers start working in seconds. Slip the pipe into the puller and you're ready to go. It's that simple.

This patented method seals the pipe as it bends and enters the ground, eliminating the need for tape. Save on labor, fuel and machine time.

### 1" Heavy Duty Dual Pipe Puller

---

Part Number: **DPP01**

Made in USA

Patent # 7654774

### 1 1/4" and 1 1/2" Heavy Duty Pipe Puller

---

Part Number: **DPP15**

Made in USA

### 2" Heavy Duty Pipe Puller

---

Part Number: **DPP02**

Made in USA

### KwikLink

---

Part Number: **KL111**

### Utility Knife - Folding

Part Number:

Made in USA

**ICAP-2, ILID-2**

Sold in Quantities: 25 Units per Bag

### **Freight Policy**

Prices are F.O.B. Arvada, Colorado, freight prepaid to destination specified in the order. Dawn Industries charges a shipping and handling fee on each order, which is applied at time of order and reflected on customer's invoice.

Dawn Industries covers shipping and handling for standard ground delivery within the Continental United States and Canada on orders over \$1,500 before tax (including any backorders). Dawn Industries does not cover shipping and handling for orders shipping outside of the U.S. or Canada.

### **Minimum Order Policy**

---

In an effort to consolidate processing costs and increase order efficiency, Dawn strongly encourages replacing frequent small orders with larger planned purchases.

- Minimum order - \$200
- International minimum order - \$500 USD
- Order in box/bag quantities to avoid broken box/bag charges

We understand that our customers may occasionally wish to place smaller orders, in such cases, a minimum \$10 special handling fee will be added. Broken box/bag orders will be charged a \$10 fee. We encourage you to support our policies so that we may continue to offer superior customer service at great prices.

### **Terms**

---

Net 30 days from ship date. Prices subject to change without notice.

## Product Returns

---

Dawn Industries has a no hassle guarantee, subject to the following:

The purpose of the no hassle guarantee is to ensure our distributors and dealers stock the product that suits their market and clientele.

- Return requests must be submitted to Dawn Industries within 1 year of the date of the original invoice.
- Returns after 1 year incur a 25% restocking charge and are subject to approval.
- Products may only be returned once the customer receives written authorization from Dawn Industries. If the return is authorized by Dawn Industries a Return Merchandise Authorization (RMA) number will be issued to the customer.
- Products returned must have the RMA number clearly marked on the outside of the box and reach Dawn Industries within 45 days from the date RMA is issued. All documentation and RMA number must accompany the return along with the original invoice number and an explanation why the product is being returned so that Dawn Industries may inspect the product accordingly.
- Only product that is current, non-obsolete, not specially manufactured, unused and in their original condition and original packaging will be considered for return. No returns are allowed on product with a ship date of older than 12 months.
- Refused shipments sent back to Dawn Industries without an RMA incur a 25% restocking charge.
- Upon receipt and inspection of the product, if the product is accepted for a return, a credit will be issued for the value on the original invoice, less freight, and cash discounts. At the option of Dawn Industries, full credit against future purchases or replacements will be made.
- Care must be taken to package all returns to ensure that they are not damaged in shipment. Dawn Industries will not credit items returned that have not been properly packed and as a result have sustained damage in shipment back to our facility.

### **\*Dawn Industries Limited Warranty**

---

Subject to the exclusions and limitations detailed below, Dawn Industries warrants to the original consumer that products of its manufacture will be free from defects in materials and workmanship under normal use and service for one year from the original consumer's date of purchase.

#### **Limited**

Limited means that Dawn Industries warrants to the original purchasers of products from Dawn Industries authorized distributors at the time of shipment such products shall be free of defects in material and workmanship while the tool or fitting is used under normal working conditions. Standard wear and tear, dulling over time, overloading, misuse, defacing the product, and acts of God are not covered under warranty.

When a warranty claim arises, the purchaser must contact Dawn Industries. If the defect comes under the terms of this limited warranty, Dawn Industries will arrange, at its sole discretion, one of the following options:

- The product will be repaired at Dawn Industries factory.
- Product will be replaced

The purchaser is solely responsible for determining the suitability of Dawn Industries for the purchaser's use or resale, or for incorporating them into articles or using them in the purchaser's applications. The distributor is authorized to extend the foregoing limited warranty to its original purchasers in connection with the sales of Dawn Industries products, provided that such products shall not have been altered by the distributor. The distributor shall be fully responsible for any warranties the distributor makes to its purchasers which are broader or more extensive than Dawn Industries limited warranty.
