

KwikCut™

Professional Quality

Designed for durability and precision, KwikCut™ Knives provide versatile cutting solutions for a range of applications.

Features

Utility Knife – Folding

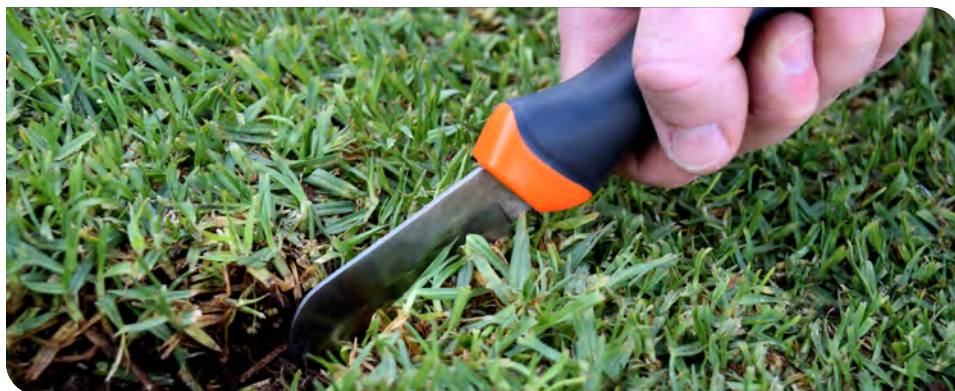

- One-step blade release for easy operation
- Durable design folds with a button push
- Contoured handle with a metal pocket clip
- Compatible with most standard blades
- Retractable blade securely folds into the handle

Snap-Off Utility Knife

- Ideal for light-duty cutting and trimming
- Eight snap-off segments ensure a consistently sharp blade

Turf Knife “The Claw”

- Fixed hook serrated blade for quick, clean cuts of sod, turf, roofing, & floor coverings
- Made from cutlery-grade steel
- Comfortable, non-slip grip
