KwikSaddle™

Professional Quality

The New KwikSaddle™ is a self-tapping saddle featuring a tool-free design that pushes down onto the pipe for a faster, improved installation.

Features

- Tool-free design - no bolts, washers, nuts or o-rings to perish
- Less digging required for installation
- Available with and without a straight adaptor
- Compatible with Dawn KwikAdapt™ swing fittings
- Installs in under 10 seconds
- Easy-grip handles for secure installation

LESS DIGGING REQUIRED
