KRC429-040	10" x 5 1/4" x 5 1/4"			14 1/2" x 5 1/4" x 5 1/4"			5 1/4"	4"

## Measurements

## Material

PVC

## Lab Tests

1/2" - 450 PSI	1 1/4" - 278 PSI	2 1/2" - 225 PSI
3/4" - 360 PSI	1 1/2" - 248 PSI	3" - 195 PSI
1" - 338 PSI	2" - 210 PSI	4" - 165 PSI

## Piping Application

KwikSnap is a glue-on "Y" Saddle for use with 3/4" and 1" PVC Pipe to Swing. The barb and spike combination keeps the Swing in place even under pressure surges. Outdoor use only.

## Install Tools Needed

No tools required.

## Manufactured In

Arvada, Colorado USA
